EXECUTIVE SUMMARY

I have done M. Pharm (Pharmacognosy) from ISF College of Pharmacy, Moga, Punjab. I'm doing my research project as "A Novel and Simple Approach for Extraction and Purification of Curcumin from Turmeric rhizome and Piperine from Black Pepper Seed". under the supervision of Dr. Alok Sharma. I have completed my 30 days industrial training from Khandelwal Laboratories Pvt. Ltd. I have also done 90 days Hospital Training in Jawaharlal Lal Nehru, Dist. Hospital, Rudrapur Udham Singh Nagar. I am active in seeking a position to utilize my skills and abilities in an industry that offers professional growth while being resourceful innovative in the respective organization, to be a part of a world-class team that explore new horizons which enhances my abilities and learning.
